

# Tin Lizzies

Dale Edwards, May 1, 2008

Here it is May 1<sup>st</sup> and the Tin Lizzies are anxiously awaiting the opportunity to line up for the start of the Garden Grove Strawberry Festival Parade. But it will be over by the time you read this, as will be the great after parade party at the home of Bob and Wanda Schramm. They always have great food and drink to wet the appetite created by entertaining the kids along the parade route. So you'll have to wait until next month to find out how the parade went and whether our new student driver was ready and if he made it through the whole parade.

After Garden Grove we have the Huntington Beach 4<sup>th</sup> of July parade, the best parade of the whole year in my opinion. That is if we can get from the trailer parking area to the start of the parade. It is getting more difficult each year due to the street blockages caused by the marathon race that occurs just before the parade.

As of this moment, Captain Al is still working on getting the Lizzie tow truck back in service. But never fear, if you are hiding in the closet dreaming of driving your own Lizzie in these parades, we will fix you up with a car. A couple of our members have second cars that need a little work and it would only take a little motivation from a potential new member to get them off their duffs. So open that closet door and call our Captain, Al Jazwiecki, at (949) 642-7795 to start the process. If he is out working on the tow truck, put in a call to our Lieutenant, John Rowe, at (714) 637-5025.
