March 31, 2010

Dear Driver,

I hope that this letter finds you doing well and enjoying the spring weather! I wanted to update you on a new opportunity that we have at Shriners Hospital for Children-Los Angeles. As a driver, you know the value that your job brings to the hospital. You are the first impression to the patients and their families, their host, and the person who usually spends the most time with the patients. We couldn't do it without you!

We are going to begin expanding the transportation services to the weekends, as well as the week-days. We are hoping to schedule two drivers per day with the Saturday shifts from 7am-1pm and the Sunday shifts from noon-5pm.

The primary reason I'm writing you is to have you help me get the word out to the Shrine Centers and your fellow-Shriners about this new opportunity. We will provide all training and screening. Anyone who is interested should contact me. However, I also want to open this opportunity up to any of the current drivers who would also like to serve one day on one weekend a month.

The Shriners are the heartbeat of this service we provide to our patients. For this opportunity, we are also open to people outside of the Shrine organization including Daughters of the Nile or Ladies of the Oriental Shrine becoming volunteers. Please help me by using your networks to get the word out.

Don't hesitate to contact me if I can provide any more information. You can either email [jmay@shrinenet.org](mailto:jmay@shrinenet.org) or call at 213-368-3376.

Best regards,

A handwritten signature in black ink, appearing to read "Jeff May", written over a light blue horizontal line.

Jeff May  
Volunteer Coordinator
